Client TESTIMONIALS

I would like to take this opportunity to thank you and all the staff at The Rine for the professional and efficient service we received on Sunday for Mams 60th and Ann's 70th Birthday. Thank you so much for your patience with all my requests – (I just wanted it to be so perfect for them).

I would also like to add that the service we received was outstanding from friendly reception staff, bar staff, waiting staff, managers.

They are a credit to your hotel.(Excellent customer service). I`m delighted we were the first Afternoon Tea party in your hotel and as it was just wonderful experience I will certainly spread the good word.

Our corporate conferences at The Rine are a resounding success. This is largely due to the hotel's exceptional facilities, the services provided and the attention to detail embraced by it's full team. The conference rooms are well-equipped, the catering is superb, and the staff are incredibly helpful and responsive, particularly for last-minute adjustments as they arise.

The Rine not only meets our expectations but exceeds them, ensuring smooth and productive events for all.

A big thank you to you and to your exceptional staff who made the night a great success. I can only imagine that working with so many of us as an organising committee was a challenge at times for them but each and every one of them exceeded expectations.

A particular word of thanks to Martin. Nothing was a problem for him and he met every request with a pleasant and positive attitude. Also a special thanks to Susan who was taking care of us during the early part of the day. She was extremely helpful and patient.

All of the staff, without exception, were a pleasure to deal with.
